3.2 If Asetek is able to fulfill your order, you will receive a binding order confirmation by e-mail.

## 4. Payment and security

4.1 When purchasing on Asetek.com, you must use a debit card. To protect your card information, the payment is handled by a third party and certified payment service. ## 5. Cancellation

5.1 When purchasing on Asetek.com, with the exceptions mentioned herein, you may cancel your purchase within 14 days unless the purchase is of goods covered by Section 18(2) of the Danish Consumer Contract Act ("Forbrugeraftaleloven").

5.2 Be aware that your right to receive a full refund of the purchase sum upon cancellation is prerequisite on your return of the goods in a condition, where the product is in 'as new' condition and only impaired due to handling necessary to determine the nature, characteristics and functioning of the goods.

5.3 In order to receive the entire purchase amount back, you may do the same as you can in a physical store. You can inspect the product but do not take it into actual use. Upon assembly with other products (e.g. sim racing rigs) and/or use in gaming, the product is considered to have been put into use. If the value of the article is reduced, and the reason is that you have used it in any way beyond what was necessary to check the type and properties of the article and how it works, then only part of the purchase sum can be

refunded to you. The amount that can be refunded depends on the saleable value of the article, and in certain cases this may mean that only the freight charges can be refunded.

5.3.1 We recommend that you return the article in its original packaging. If the original packaging is missing, it may reduce the value of the article.

5.4 All custom orders are subject to a no-refund and no-exchange policy. This condition is in recognition of the bespoke nature of these items, tailored to your specific requirements. Due to their customization, they cannot be restocked or resold. Please ensure your specifications for custom orders are accurate and complete before finalizing your purchase.

5.5 The period in which you have a right to cancellation is calculated from the day on which you, or a third party designated by you, excluding the carrier, took physical delivery of the goods.

5.6 To cancel your purchase, you must notify us of your decision to do so in an unequivocal statement.

5.7 If you have bought more than one item from us, you may return one or several items, even if they were bought in a single order. Please note that freight charges will not be refunded if you cancel part of your purchase.

5.8 Any inquiries concerning the right of cancellation must be sent to:
